Deep Roots = Transformation
Pastor Chris Vaught

Mark 4:26-32 CSB—"The kingdom of God is like this," he said. "A man scatters seed on the ground. He sleeps and rises night and day; the seed sprouts and grows, although he doesn't know how. The soil produces a crop by itself — first the blade, then the head, and then the full grain on the head. As soon as the crop is ready, he sends for the sickle, because the harvest has come."

And he said, "With what can we compare the kingdom of God, or what parable can we use to describe it? It's like a mustard seed that, when sown upon the soil, is the smallest of all the seeds on the ground. And when sown, it comes up and grows taller than all the garden plants, and produces large branches, so that the birds of the sky can nest in its shade."

For the Kingdom of God to become deeply rooted in your life ...

1. You must intentionally _____ the _____.

2. You must _____ the _____ of growth.

Ephesians 2: 8-9; 1 Corinthians 1: 18; Romans 5: 9

3. You must _____ in the harvest.

THE BIG TAKEAWAY:

The Kingdom of God takes roots in you, but _____ just for you.
